Dear Parents / Carers

16th June 2021

Welcome back to term 6.

This term the older children have begun their transition session over at the school therefore we are focusing on activities relating to school readiness for the older children.

Covid-19 Update:

Staff are now testing themselves twice a week using the lateral flow self-testing which was started on the 22nd March. Please can you still follow the guidelines on social distancing when lining up to drop off and collect your child from playgroup. We also ask that you continue to follow the guidelines of wearing face coverings when coming to the gate at playgroup.

Labelling

Please can you make sure that all clothing, lunch boxes, bottles, hats, sun cream are labelled with your child's name as we have lots of duplicates and we are having trouble identifying all items. As the weather is now much warmer, we are asking parents to ensure they provide sun-cream and a sunhat for children.

Graduation

This year's graduation will take place on Friday 16th July 2021. The teddy bear's picnic will begin at 1:00pm and graduation will start at 2:00pm. Further information will follow in the next few weeks.

September

Please could you let us know if you would like any extra sessions for children in September.

Kind regards

Stacie Eden
