

### **Safeguarding and Welfare Requirement: Equal Opportunities**

Providers must have and implement a policy, and procedures, to promote equality of opportunity for children in their care, including support for children with special educational needs or disabilities.

## **09.1 Waiting List and Admissions**

We aim to ensure that all sections of the community receive accessible information, and that our admissions procedures are fair, clear and open to all parents who apply for a place.

- Information about the setting is accessible.
- Children with disabilities are supported to take full part in all activities within the setting and the setting makes reasonable adjustments to ensure that this will be the case from the time the child is placed on the waiting list.
- The waiting list is arranged in birth order and in addition may take into account the following:
  - the age of the child with priority being given to children eligible for the free entitlement
  - length of time on the waiting list
  - the vicinity of the home to the setting
  - siblings already attending the setting
  - the capacity of the setting to meet the individual needs of the child
- Funded places are offered in accordance with the Early Years Entitlements: Operational Guidance for Local Authorities and Providers (DfE 2018) and any local conditions in place at the time,
- The setting and its practices are welcoming and make it clear that fathers, mothers, other relations and carers and childminders are all welcome.
- The setting and its practices operate in a way that encourages positive regard for and understanding of difference and ability, whether gender, family structure, class, background, religion, ethnicity or competence in spoken English.
- The needs and individual circumstances of children joining the setting are monitored our Registration Form, to ensure that no accidental or unintentional discrimination is taking place and that reasonable adjustments are made as required.
- Section 05 Equality Procedures is available on request and is widely promoted to all.

- Places are provided in accordance with 09.1d Childcare and Early Education Terms and Conditions issued to every parent when the child takes up their place. Failure to comply may result in the provision of a place being withdrawn.

## **Admissions**

- Once an early education and childcare place has been offered the relevant paperwork is completed by our Business Administrator before the child starts and filed on the child's personal file. Forms completed include:
  - 07.1a Privacy Notice – explains what personal data we collect, why we collect it, how we use it, the control parents/carers have over their personal data and the procedures we have in place to protect it.
  - 09.1d Early Education and Childcare Terms and Conditions – govern the basis by which we provide early education and childcare.
  - 09.1c Early Education and Childcare Registration Form – contains personal information about the child and family that must be completed in full prior to the child commencing.

## **Children with SEND**

- The SENDCO must seek to determine an accurate assessment of a child's needs at registration. If the child's needs cannot be met from within the setting's core budget, then an application for SEN inclusion funding must be made immediately.
- Children with identified SEND must be offered a place when one becomes available as with any other child. However, the start date for children with more complex SEND will be determined by the preparations made to ensure the child's safety, well-being and accessibility in the setting. If a child's needs determine that adjustments need to be made, the SENDCO must outline a realistic timeframe for completion, detailing the nature of adjustments e.g. risk assessment, staff training, health care plan and all other adjustments required. The child's safety at all times is paramount.
- At the time of registration, the SENDCO must check to see if a child's family is in receipt of Disability Living Allowance, if so, the SENDCO must ask for evidence to enable them to claim the Disability Access Fund directly from the local authority. If the family is eligible but not in receipt of the allowance, the setting Leader will support the family in their application. More information can be found at [www.gov.uk/disability-living-allowance-children/how-to-claim](http://www.gov.uk/disability-living-allowance-children/how-to-claim).
- Preparation for admitting a child with SEND must be made in a reasonable amount of time and any delay in the child starting is scrutinised by the SENDCO to avoid discrimination and negative impact on the child and family. During a preparation period the family and relevant agencies and the local authority must be regularly updated on the progress of the preparations.

## **Safeguarding/Child Protection**

If information is provided by the parents that a child who is starting at the setting is currently, or has had involvement with social care, Lisa Parker, our Designated Safeguarding Lead, will contact the agency to seek further clarification.

Parents are advised on how to access the setting's policies and procedures.
