

## **Safeguarding and Welfare Requirement: Suitable People**

Providers must ensure that people looking after children are suitable to fulfil the requirements of their roles.

# **10 Working in Partnership with Parents and other Agencies Policy**

## **Aim**

We actively promote partnership with parents and recognise the importance of working in partnership with other agencies to promote the well-being of children and their families. This includes signposting parents to support as appropriate.

## **Objectives**

- We believe that parents are children's first and most enduring educators and our practice aims to involve and consult parents on all aspects of their child's well-being.
- We also recognise the important role parents must play in the day-to-day organisation of the provision.
- We consider parents views and expectations and will give the opportunity to be involved in the following ways:
  - sharing information about their child's needs, likes, achievements and interests
  - settling in their child to the agreed plan according to our settling in procedures
  - taking part in children's activities and outings
  - contributing with ideas or resources as appropriate to enhance the curriculum of the setting
  - taking part in early learning projects, sharing with educators knowledge and insights about their child's learning
  - contributing to assessment with information, photos and stories that illustrate how their child is learning within the home environment, taking part in day-to-day family activities
  - taking part in discussion groups
  - taking part in planning, preparing, or simply participating in social activities organised within the setting
  - Ofsted and setting contact details are displayed on the parent notice board for parents who have a complaint that cannot be resolved with the setting leader in the first instance, or where a parent is concerned that the EYFS standards are not being maintained

## **Partnership and Signposting to Other Agencies**

We are committed to ensuring effective partnership with other agencies including:

- local authority early years services about the EYFS, training and staff development
- social welfare departments regarding children in need and children who need safeguarding or for whom a child protection plan is in place
- child development networks and health professionals to support children with disabilities and special needs
- local community organisations and other childcare and early education providers
- Ofsted and setting contact details are made available to other agencies who have a complaint that cannot be resolved with the setting leader in the first instance, or where a parent is concerned that the EYFS safeguarding and welfare standards are not being maintained.
